Sounds good and I have worked a lot with Joe Sheehy in Congresswoman Napolitano's office.

Brent, you should be the contact for our Congressional delegation. So if she or her staff reaches out to you, you can work with us to figure out whether Jared or Enrique or whomever would respond.

Kelly –

Please see Raquel Snyder's message. Not sure whose name would be the best to provide to her office, so wanted to check on your thoughts to be responsive. Please let me know. Thanks.

Hi Brent,

Congresswoman Napolitano wants a contact name and number to call if she wanted to discuss the situation. I spoke with my OCA DAA and she suggested I contact Kelly Zito to let her know about Napolitano's request and perhaps Kelly could provide a good name and contact #. I wanted to let you know and see if you wanted to send this to Kelly?

Many thanks,

Raquel Snyder

Hi Raquel,

I am Ranking Member Napolitano's personal office staffer. Thanks for sending this information along to us through Mike Brain. I will send this to the Congresswoman. The Congresswoman would also possibly like to contact someone at EPA to discuss this further. Who do you recommend she contact if she wanted to talk to someone at EPA directly and what is the phone number? I don't know when/if she would call. She just said she wanted a contact and phone number.

Thanks,  
Joe
